Commissioner for Patents

The information disclosure statement filed 02 February 2009 fails to comply with 37 CFR 1.97(d) because it lacks a statement as specified in 37 CFR 1.97(e). It appears that the applicant has attempted to cite 37 CFR 1.97(e)(2) in the IDS letter, but the text has been amended such that the requirement that the "person signing the certification after reasonably inquiry" portion has been omitted. For consideration of an IDS after the filing of a Notice of Allowance, but previous to the Issue Fee being paid, the IDS must be accompanied with the unaltered text of 37 CFR 197(e)(1) or 37 CFR 197(e)(2). The IDS has been placed in the application file, but the information referred to therein has not been considered. If further explanation is required, the examiner may be reached by telephone between the hours of 12:00pm-8:00pm MTWRF at 571-272-6003.
